

ACW - Minutes - March 3, 2009

President Susan Thomas opened the meeting.

Lainey Keller gave a moving prayer.

Mary Beth announced that Susan Sykes is home from the hospital and that Millie Young has been moved to the National Health Care, a very nice nursing facility near her family.

Fr. Clanton announced that Bob Rapp is in Intensive Care. A card was sent to his wife Julie expressing our love and prayers.

We agreed that our monthly "Lunches Bunches" have been both fun and meaningful. Our next outing will be on Saturday, March 14th. We will meet at 10:30 at the sugar Magnolia. Please call Karen Herring (642-8946) if you can come.

Everyone is excited about our Prayer Shawls Project. There are so many times that the warmth of the shawl, with our love intertwined with the stitches, can console a body.

Our speaker was Peggy Ford from "The Children's Place". She was both informative and inspirational. She has guided and worked to grow the facilities to help children for 20 years. With their present size and employees she is allowed to serve 70 children a day. (they always have 30-50 children on a waiting list). All the children need help - some with physical problems and some with emotional problems. The stories of some of their young lives would break your heart. As the economy worsens-their need grows. We need to decide what would be the best way for us to help The Children's Place help God's most defenseless. Please pray on it.

A thank you to Mary Beth and Diane for the tasty desserts..
